Is your child very picky about everything, especially when it comes to food? Are you tired of making your kids eat healthy forcefully? Do you want your child to develop some healthy eating habits? Certainly, you do. But don't know where to start from? Don't you worry! We've got you covered!

Bad eating habits are probably every mom's headache. Kids either don't eat enough food at all, and even if they eat food, they don't eat healthy food. Fruits are very healthy, and they should be a part of your daily diet. Fruits are rich in fibre and minerals that help you to maintain good health.

The fruit storybook for children is the solution to all your problems regarding the poor dietary habits of your children. Confused about why we are saying this?

Allow us to explain.

This children's storybook is a must-buy for you. Why? Because

- This book has explanations of different fruits, including their color, size, shape, taste, etc.
- You can make your child learn about different fruits while he plays around with the book. Happy learning!
- This book has mentioned various benefits of fruits in a lovely way that will make your child want to have that fruit on his plate.
- All the words used in the book are accessible and understandable for children to know what the book wants them to know about easily.
- Help your children see the importance of fruits in their daily routine from the very beginning. This will help them in the long run and prevent them from indulging in bad eating habits.
- The book also comes with some ideas about using these fruits in some easy yet delicious recipes. Both parents and children can use these tricks to make their food more delicious and satisfying.
- The book also tells how fruits are grown, so this is yet another plus point. Your kids will get an idea of how the plants grow and how fruits are produced.
- Since it takes time for the plants to grow and fruits to ripen, this will teach your child the lesson of patience. Every sweet thing takes time.
- The book will help you improve your child's poor eating habits by letting him/her know the pros of fruits briefly and efficiently.

- You can also use these rhymes to make your child learn different kinds of fruits.

"We make a great pear." "You're berry special."

"I cherry-ish you."

Or make your fun rhyme out of fruits.

Just like they say about pineapple,

"Be a pineapple, Stand tall, Wear a crown, And be sweet on the inside."

Make learning fun for your children through this colorful fruit children's storybook and engage your child in a healthy and fun activity. So what are you waiting for? Hurry up and grab your copy now!
