### The Birth of a Movement

Footprints 21 was born out of the realization that personal and political journeys are deeply connected. The founders recognized that true change comes from within – by nurturing personal growth, one can create a ripple effect that leads to societal transformation.

The movement started as a small group of like-minded individuals who were passionate about making a difference in people's lives. They organized various self-improvement workshops, political awareness campaigns, and community engagement events.

### Navigating Personal and Political Challenges

Footprints 21 believes that personal growth and political engagement go hand in hand. It empowers individuals to navigate the challenges that arise in both spheres, helping them develop resilience, empathy, and critical thinking skills.

Members of Footprints 21 share their personal stories of triumph and resilience, highlighting the importance of self-reflection and continuous learning. They understand that personal growth is a lifelong journey – one that requires dedication and determination.

## **Inclusion and Diversity**

As Footprints 21 grew, it became a true melting pot of ideas, perspectives, and experiences. It prides itself on fostering an inclusive environment where diversity is celebrated. People from all walks of life, regardless of their political ideologies, are welcomed with open arms.

The movement actively encourages dialogue and respectful exchange of ideas. Through this inclusive approach, Footprints 21 challenges the status quo and breaks down barriers.

## **Political Advocacy and Social Impact**

Footprints 21 merges personal growth and political advocacy to create social impact. It organizes rallies, peaceful protests, and awareness campaigns to address issues that matter to the community.

Through partnerships with NGOs, local governments, and grassroots organizations, Footprints 21 amplifies its impact and brings about tangible changes. It believes that everyone deserves an equal say in the political process and actively engages citizens in civic education programs.

## **Building a Legacy for Future Generations**

The journey of Footprints 21 is not just about the present – it is about building a legacy for future generations. By instilling the values of personal growth and political activism in individuals, the movement ensures that its positive impact will continue for years to come.

Footprints 21 invests in youth development programs, mentorship initiatives, and scholarships to empower the leaders of tomorrow. It envisions a world where personal and political journeys intertwine seamlessly, creating a harmonious society driven by empathy, integrity, and progress.

## **Join Footprints 21 on a Journey of Transformation**

Footprints 21 invites individuals from all walks of life to embark on a transformative journey that combines personal growth with political activism. By joining this movement, you will be part of a community that believes in the power of change, both within oneself and in society.

Together, let us leave footprints that inspire generations to come.

What draws a person to the political life? In *Call Me Giambattista*, John Ciaccia recounts his immigration to Canada from Italy as a small child in 1937 to his retirement from the National Assembly of Quebec in 1998. After studying at McGill University's Faculty of Law, practising in a Montreal law firm, and shifting gears to work as a federal civil servant, a phone call in 1973 from Premier Robert Bourassa launched Ciaccia's twenty-five-year career in Quebec politics. As a member federalist politician from an Italian background, Ciaccia faced many challenges. When first elected, he negotiated the James Bay Agreement with the Cree and the Inuit, and later, as Quebec's minister of Native Affairs, he was a key negotiator in the Oka crisis of 1990. Over the course of his career he held four cabinet posts, including International Affairs, and he ended his political career as the longest-serving member of the National Assembly. Ciaccia details all of these events and more, and explains his relationships with leading figures such as Robert Bourassa, Claude Ryan, Pierre Trudeau, René Lévesque, and Jacques Parizeau. Revealing his approach to politics, Ciaccia describes the lessons he learned from his career, and underscores the importance of acting according to one's convictions. An intriguing memoir of an Italian immigrant who came to hold key roles in the Quebec government, *Call Me Giambattista* tells the story of a

political leader and the choices he made during a seminal period in Quebec history.
