

# Witness the Epic War on the Gods with the Exclusive Limited Edition Boxset!

Are you ready for a mind-blowing fantasy adventure that transcends the realms of mortals and immortals? Brace yourself, for the War on the Gods is upon us! Unleashing unparalleled power, divine battles, and unimaginable sacrifices; this epic saga will leave you breathless and craving for more.

## Join the Battle

Step into a world where gods walk among men, their towering presence felt in every corner of the celestial realms. For centuries, peace prevailed as they guided humanity with their wisdom and power. But a sinister force has emerged, threatening to dethrone these divine beings and plunge the world into darkness.

In this exhilarating limited edition boxset, you will witness the rise of heroes and villains, as mortals defy their own limitations to challenge gods. From legendary warriors to mystical sorcerers and cunning thieves, each character brings a unique perspective and skillset to the battlefield. Through intricate storytelling and mesmerizing visuals, you will be transported to a realm where the line between good and evil is blurred.

The Greek gods are real, and they've come back with a vengeance.

Andy and Zoey are two normal teenagers living in the modern day--that is, until they're knocked unconscious in a freak storm sweeping the United States.

When they wake up, the world they know has been tossed away. Their city is in ruins, strange creatures walk the earth, and worst of all, everyone is gone. They stumble across Diana and Spencer, two kids around their age who possess incredible magical abilities, and who claim to be the demigod children of Greek gods. Not only that, they also claim the year is 500 AS, five hundred years after the gods conjured a massive storm that destroyed most of humanity and helped them take the world as their own once again.

With the help of Diana and Spencer, Andy and Zoey soon discover they're destined to play an important role in saving humanity. In fact, there's a whole prophecy that says they're meant to lead a war on the gods--which Zeus has been trying to prevent for centuries, apparently. But how can anyone expect two regular teens to defeat an entire pantheon of immortal deities?

Find out how Andy and Zoey's insurmountable task unfolds in books 1 and 2 of the fast-paced trilogy that readers are calling intense, emotional, and action-packed.

Gods. Monsters. Magic. The War on the Gods series is perfect for fans of Greek mythology who want a new twist on the old tales.

Praise for War on the Gods:

"Fabulous reading! Incredible world-building! Characters that come to life! Tons of twists, lots of action!" --Dianne at Tome Tender, □□□□□

"Even the smallest of characters has a backstory, invoking such a love and engagement in me that it was difficult to drag myself away. I loved all of our protagonists deeply, despite their flaws and behaviours." --JK at Book Odyssey, [□□□□□](#)

"This is the kind of book where you wonder why everyone isn't raving about it because it's the best thing since sliced bread . . . Mobley did a great job writing believable characters that grew over the course of the book but never strayed from their original identity. The characters in this, even minor ones, were given so much detail and show how well-thought-out the story is." --Alexia at BookishEnds, [□□□□□](#)

"I enjoyed seeing a darker side to the Gods. Mostly in books and in real life, we picture Gods as being heavenly light and pure with good intentions. I liked how the readers for once see the greedy, hateful, controlling side as well. I highly recommend this book and cannot wait to read the next book in the series, Poseidon's Trident!" --Julia at Pages for Thoughts, [□□□□□](#)

"For fans of Greek mythology, this story is like a treasure trove of references that is bound to satisfy your appetite." --Alessandro Reale, award winning author of Only One Samantha, [□□□□□](#)

"This was a fast paced, dystopian adventure that I think fans of Percy Jackson would enjoy. There are some darker elements, some instances of gore, and some

twists I never saw coming, so this may be better for those fans who age out of Percy." --C.E. Clayton, author of The Monster of Selkirk series, □□□□□

"After Percy Jackson's adventures this series will be a hit of YA fantasy." --Eszter Szika at Goodreads, □□□□□
