How Does It Work?

The rules of Would You Rather Eww Edition are quite simple. Each player takes turns being the "Dilemma Master" who presents two nauseating options. These options will confront players with unimaginable scenarios that require them to choose the lesser of two evils.

For example, would you rather lick a sweaty armpit or eat a handful of live maggots? The choices can be gut-wrenching, twisted, and downright bizarre, but that's what makes this game so captivating.

Once the dilemma is revealed, every player secretly makes their choice by writing it down on a piece of paper. After everyone has made their selection, all choices are revealed simultaneously, and discussions ensue!
