Her books include Monkey Grip, The Children's Bach, The First Stone, Joe Cinque's Consolation, The Spare Room, This House of Grief, Everywhere I Look, True Stories and Yellow Notebook.

'Garner is scrupulous, painstaking, and detailed, with sharp eyes and ears. She is everywhere at once, watching and listening, a recording angel at life's secular

apocalypses...her unillusioned eye makes her clarity compulsive.’ James Wood, New Yorker

‘On the page, Garner is uncommonly fierce, though this usually has the effect on me of making her seem all the more likable. I relish her fractious, contrarian streak – she wears it as a chef would a bloody apron – even as I worry about what it would be like to have to face it down.’ Guardian

‘[Garner’s] writing expresses a hard-won grace. It brings you closer to the world, and shows you how to love it.’ Monthly
